### About This Report

The Workforce Intelligence Network for Southeast Michigan (WIN) partnership is a collaboration of six Michigan Works! Agencies (MWAs) and ten community colleges across a 16-county region in Michigan. The counties in the WIN partnership include: Genesee, Hillsdale, Huron, Jackson, Lapeer, Lenawee, Livingston, Macomb, Monroe, Oakland, Saint Clair, Sanilac, Shiawassee, Tuscola, Washtenaw, and Wayne, along with the City of Detroit.

This report highlights labor market information and real-time job posting data for both Genesee and Shiawassee counties. A workforce overview is provided within identifying key components of the area's labor market including labor force status, demographic, and commuting data. WIN's analysis of online job postings, a proxy for employer demand, is a pioneering method for tracking the health of the labor market. This data is used to provide a real-time demand overview, detailing posting related findings for both employers and job seekers. WIN's data and research team analyzes job posting data at the occupation level within eleven customized occupation groups built using specific Standard Occupational Classification (SOC) codes to provide more contextualized information. Occupation groups combine data for jobs with similar skillsets, educational attainment, and experience requirements, which provides a more in-depth snapshot of the current labor market when compared to traditional industry data based upon North American Industry Classification System (NAICS) codes. Occupation outlook sections utilize these metrics to identify and display the top in-demand jobs, their entry requirements, and their earning potential. WIN produces a 16-county region report quarterly using data from all eleven occupation groups. A report focused on the city of Detroit is also produced quarterly, focusing on five occupation groups related to Detroit's labor market. County reports are produced annually and focus on five occupation groups chosen to reflect the labor market specific to the county.

This report analyzes data from the fourth quarter of 2018 in Genesee and Shiawassee counties combined and includes summative data for October, November, and December of 2018. For Genesee and Shiawassee counties, the Business and Finance, Engineers and Designers, Health Care, Information Technology, and Skilled Trades and Technicians occupation groups are analyzed.

For more information pertaining to the labor market in southeast Michigan, the custom occupation groups within this report, or any other workforce-related data projects, please visit [www.WINintelligence.org](http://www.WINintelligence.org) or contact the data and research team directly at [research@WINintelligence.org](mailto:research@WINintelligence.org).

# ANNUAL STATE OF THE LABOR MARKET

## Genesee and Shiawassee Counties | Q4 2018

### State of the Labor Market in the Genesee and Shiawassee Counties

Over the course of 2018, the labor force figures decreased in Genesee and Shiawassee Counties while employment increased. With this simultaneous increase in both labor force and employment, the number of unemployed individuals decreased in the region. This has caused the unemployment rate to drop from the 5.7 percent annual rate in 2017 to an annual rate of 5.0 percent in 2018. Employer demand grew by nearly 1,500 postings between Q3 2018 and Q4 2018 and continued to be dominated by TDL and customer service occupations. Among the groups analyzed in this report, Health Care occupations reported the highest demand with 2,661 postings. Business and Finance occupations saw the greatest increase in postings between Q3 and Q4 2018, growing 21 percent between quarters. These occupations often present entry level opportunities to those who complete the educational requirements.

### Annual Labor Market Information

Remaining relatively steady around 216,000 individuals since 2011, the labor force in these counties decreased by just 578 individuals between 2017 and 2018. Employment increased by 895 workers between 2017 and 2018. With a larger portion of the labor force able to find work, the unemployment rate fell by 0.7 percentage points from the annual figures in 2017 to an annual rate of 5.0 percent in Genesee and Shiawassee counties during 2018.

Data: BLS | Analysis: Workforce Intelligence Network

### Quarterly Employer Demand Overview

Data from the fourth quarter of 2018, including posting information from October, November, and December, showed employer demand continue to grow within Genesee and Shiawassee Counties. There were 19,007 total postings in Q4 2018, 2,300 more postings than during Q4 2017. While demand continues to ebb and flow throughout the year, both job postings and employment figures have been stronger in 2018 than the same quarters during 2017.

Data: Emsi | Analysis: Workforce Intelligence Network

## QUARTERLY WORKFORCE INDICATORS

### Genesee and Shiawassee Counties | Key Findings for Q4 2018

#### Employer demand surges to 19,007 postings during Q4 2018, with key occupation groups analyzed by WIN experiencing increases in online job postings between Q3 and Q4 2018.

During Q4 2018, there were 19,007 jobs posted, 1,379 more than the 17,628 jobs posted during Q3 2018 in Genesee and Shiawassee Counties. Many of the occupation groups analyzed by WIN, including those key groups highlighted in this report, experienced an increase during the fourth quarter of 2018. Postings in the business and finance, health care, and IT groups each increased by nine percent or more. This level of online job postings is also 2,300 greater than during Q4 2017. For more information about quarterly job postings, see page 2.

Postings by Occupation Group  
Q4 2018

Data: Emsi | Analysis: Workforce Intelligence Network

#### The unemployment rate in Genesee and Shiawassee Counties is currently at 4.2 percent, down 0.5 percentage points from Q3 2018.

Compared to Q3 2018, employment grew into Q4 2018, while the labor force fell. The drop in labor force participants combined with the increase in workers caused the quarterly unemployment rate to fall from 4.7 percent in Q3 2018 to 4.2 percent in Q4 2018 as more people successfully found work. During July 2018, in particular, unemployment spiked, hitting a peak of 6.0 percent, then remained low for the rest of the year. For more information about this quarter's unemployment rate and other labor market indicators, see page 4.

Quarterly Labor Market Data

	4th Quarter 2018	Change from 3rd Quarter 2018	Percent Change from 3rd Quarter 2018
Labor Force	214,707	-270	-0.1%
Employment	205,718	941	0.5%
Unemployment	8,989	-1,212	-11.9%
Unemployment Rate	4.2%	-0.6%	na

Note: Monthly data average by quarter | Data: BLS

#### Job postings made in Genesee and Shiawassee counties indicate a high school diploma as the most in-demand minimum education level during Q4 2018.

Nearly a quarter (24.9 percent) of the 19,007 jobs posted in the two counties indicated the need for candidates with a high school diploma or equivalent, reflecting the high numbers of TDL and Customer Service occupations represented in the top jobs. Another 19 percent indicated a preference for a bachelor's degree or higher. Higher education attainment tends to lead to more lucrative positions, but entry level opportunities exist for all education levels in each occupation group. As just over half (51 percent) of job postings identified a minimum education level, education requirements may vary somewhat across all job openings in the area.

Data: American Community Survey 5-Year Estimates | Analysis: Workforce Intelligence Network

### Labor Market Demographics

During 2017, the most recent census year, there were about 220,329 people in the labor force, meaning they were either working or looking for work, in Genesee and Shiawassee Counties. Slightly less than half of the population, or 220,329 individuals (45.9 percent), living in the region were participating in the labor force. The highest unemployment rates were seen in those aged 24 years old or younger. Males under the age of 19 face an unemployment rate of 27.1 percent. Black or African American job seekers also have a difficult time finding employment, facing an unemployment rate of 23.4 percent.

# WORKFORCE OVERVIEW

## Genesee and Shiawassee Counties |

### 2018 Annual Working Population Demographics

#### Current Workforce Demographics

While the Census Bureau data is lagged by about two years, Emsi uses predictive modeling to estimate workforce information for the previous year, allowing for more current analysis. During 2018, there were a total of 165,969 individuals working in Genesee and Shiawassee counties. A slight majority (52 percent or 86,999 workers) were female, while 48 percent (78,970 workers) of the workforce was male. Most of those working in the region were white, accounting for 79 percent of the workforce, while African American or black workers accounted for 14 percent of the workforce. Those identifying as having a Hispanic or Latino ethnicity accounted for three percent. Eighty-six percent of the workforce was 25 years or older. Only 14 percent of workers were under the age of 25, indicating an aging workforce in Genesee Shiawassee counties.

#### Workforce Race and Ethnicity Demographics

- White, 78.8%
- Black or African American, 14.2%
- Hispanic or Latino, 3.4%
- Asian, 1.7%
- Two or More Races, 1.4%
- American Indian or Alaska Native, 0.4%
- Native Hawaiian or Other Pacific Islander, 0.0%

#### Workforce Gender Demographics

48% Males

52% Females

#### Workforce Age Demographics

## WORKFORCE OVERVIEW

### Genesee and Shiawassee Counties | 2015 Regional Commuting Patterns

#### Regional Commuting Patterns

According to the most recent OnTheMap data set available from the Census Bureau, during 2015, the region's workforce consisted of 171,301 residents. 86,267 (50.4 percent) of the residents lived and worked within the two-county region, while the remaining 85,040 residents (49.6 percent) traveled outside of the region for work. There were 141,771 workers employed in the region during 2015. Of those, 55,504 workers (39.2 percent) lived outside of the region's borders and commuted in. From this information, we can see that Genesee and Shiawassee counties are a net exporter of jobs, with more workers leaving the area for employment than inwardly commuting.

# ENGINEERING AND DESIGN OCCUPATION GROUP

## Genesee and Shiawassee Counties | Q4 2018

### Introduction

Jobs in the manufacturing industry can range from assembly and production, to skilled trades and technicians, designers and engineers, and even computer-related occupations such as software development. Demand for engineers in the region has been consistent, and employment has been growing quickly.

**2,052**  
**Engineering Workers**  
10 Worker Increase  
from 2017

### Worker Gender Demographics

### Engineering and Design Worker Demographics

According to the most recent Emsi data set available (2018), the 2,000 workers in the Engineers and Designers group are not particularly diverse. Just six percent of the workforce is under 25, likely due to the consistently high educational requirements. Fifteen percent of current workers are female, and only 14 percent identify as a race other than white; as the labor force overall continues to change, this is one field that could benefit from seeking more diverse talent.

#### Race and Ethnicity Demographics

**85.7% White** | **6.3% Black or African American** | **4.2% Asian**

#### Worker Age Demographics

## 212 Engineering and Design Postings: 17 Fewer than in Q3 2018

Engineering and Design Top Posted Jobs  
Q4 2018

### Top Posted Jobs: Q4 2018

Industrial Engineers were the highest in-demand engineering and design occupation during Q4 2018, with 61 postings. Mechanical Engineers were also in high demand with 48 postings, a close second within the occupation group. In-demand engineer occupations all typically require a bachelor's degree, indicating the importance of higher education as a requirement to enter this occupation group. Four of the top twenty occupations, technician and drafter positions, require either a high school diploma or an associate degree.

## High Earning Potential for Electrical Engineers

## Professional Engineer: Most In-Demand Engineering and Design Certification

### Engineering and Design Wage Overview

Most engineering and design related jobs offer high wages, providing a lucrative opportunity to job seekers willing to meet the minimum education requirements related to these jobs. The top posted engineering and design job, Industrial Engineers, offers a median hourly wage of \$43.55, or an annual salary of approximately \$90,500 according to the Bureau of Labor Statistics (BLS). Drafting occupations, which require shorter term education and training, also offer wages over \$20 per hour.

## HEALTH CARE OCCUPATION GROUP Genesee and Shiawassee Counties | Q4 2018

### Introduction

WIN's health care occupation group includes jobs related to health care support and practitioners. Employment in this group has been consistently growing, more health care workers needed to care for Michigan's aging population and in response to regulatory and other changes. Registered nurses are routinely the most in-demand job in this group.

**21,279**  
**Health Care Workers**  
0.3% Increase  
from 2017

### Worker Gender Demographics

### Health Care Worker Demographics

According to the most recent Emsi data set available (2018), the Health Care occupation group employs around 21,000 workers, who are primarily female (81 percent) and between the ages of 25 and 54 (72 percent), although 17 percent of workers are over 55. The group has a similar proportion of racial minorities as the workforce as a whole, with 75 percent of workers identifying as white, 18 percent identifying as black or African American, and seven percent identifying otherwise.

#### Race and Ethnicity Demographics

**75.4% White** | **17.9% Black or African American** | **2.8% Asian**

#### Worker Age Demographics

2,661 Health Care Postings:  
230 More Than in Q3 2018

Bachelor's Degree Required for  
High Paying Health Care Jobs

Health Care Top Posted Jobs  
Q4 2018

### Top Posted Jobs: Q4 2018

Registered Nurses, typically one of the top posted occupations overall, reported 690 postings during Q4 2018 and remained the highest in-demand health care occupation. Other top posted jobs include Speech-Language Pathologists (216 postings), Nursing Assistants (157 postings), and Pharmacy Technicians (150 postings).

## High Earning Potential for Family and General Practitioners

## Licensed Practical Nurse: Most In-Demand Health Care Certification

### Health Care Wage Overview

Wages in the high-demand health care field tend to scale with both education and experience. The health care occupation group offers a relatively broad array of entry requirements and a high volume of jobs are open to candidates with less than a bachelor's degree. These jobs that require less than a bachelor's degree pay more than the region's median wage of \$17.81 per hour. Registered Nurses, the top posted occupation, offers a median hourly wage of \$35.26 per hour or annual salary of over \$70,000, according to the Bureau of Labor Statistics (BLS).

**Wage Overview for Top Posted Health Care Jobs in Q4 2018**

# INFORMATION TECHNOLOGY (IT) OCCUPATION GROUP

## Genesee and Shiawassee Counties | Q4 2018

### Introduction

Information technology (IT) jobs include occupations that are associated with entry-level, technical, and professional careers related to the design, development, support and management of hardware, software, multimedia, and systems integration services. While the information technology group does not currently employ as many individuals as the other groups here, it is quickly growing.

**2,885**  
IT Workers  
0.9% Decrease  
from 2017

### Worker Gender Demographics

### IT Worker Demographics

According to the most recent Emsi data set available (2018), the nearly 3,000 workers in the IT occupation group are not very diverse. A large majority of workers are white males between the ages of 25 and 54. Currently, 73 percent of workers identify as male, and 79 percent identify as white. There are a broad range of organizations providing specialized training resources for female and minority IT workers throughout southeast Michigan. With the push to diversify the IT field, more opportunities are opening for women and minorities.

### Race and Ethnicity Demographics

**78.8% White | 10.9% Black or African American | 6.0% Asian**

# SKILLED TRADES AND TECHNICIANS (MANUFACTURING) OCCUPATION GROUP

Genesee and Shiawassee Counties | Q4 2018

## Introduction

WIN's technicians/skilled trades category includes jobs related to advanced manufacturing. Southeast Michigan has more demand for skilled-trades labor, such as CNC machinists and welders, than almost anywhere else in the country.

NOTE: Skilled trades related to construction and assembly are not included in this cluster, as the focus is on advanced manufacturing only.

**7,225**  
**Trade Workers**  
9 Worker Increase  
from 2017

## Worker Gender Demographics

## Skilled Trades and Technicians Worker Demographics

According to the most recent Emsi data set available (2018), the Skilled Trades occupation group employs about 7,300 workers in Genesee and Shiawassee counties. A majority of workers are white males between the ages of 25 and 54. Additional outreach may be necessary in the near future, as at 27.1 percent, the group has a somewhat higher proportion than average of workers over age 55.

### Race and Ethnicity Demographics

**84.0% White** | **10.4% Black or African American** | **1.1% Asian**

### Worker Age Demographics

534 Skilled Trades Postings:  
1 Fewer than in Q3 2018

Vocational Training Required  
for Most Skilled Trades Jobs

### Skilled Trades and Technicians Top Posted Jobs Q4 2018

## High Earning Potential for Industrial Production Manager

## In-Demand Skilled Trades Certification: American Society for Quality (ASQ) Certified

### Skilled Trades and Technicians Wage Overview

Half of the top ten in-demand skilled trades occupations have median wages above \$20 per hour according to the Bureau of Labor Statistics (BLS). Maintenance and Repair Workers, General, the top posted skilled trades job in Q4 2018, offers a median hourly wage of \$15.35, which translates to an annual salary of about \$32,000. Supervisory roles and those requiring more specialized skillsets offer promise to skilled trades workers. Industrial Machinery Mechanics earn \$27.12 at the median.
